**MAHISCO**

# MAHISCO

## 1962

At the closing of the 1961-62 school year, our school will have been in operation for two years. In those two short years, many memories have been made.

In September of 1960, we arrived at Madison High very much in awe of our beautiful new building. At first it seemed as though we would never become accustomed to our new surroundings. However, we quickly made our adjustments, with many new friendships. The consolidation of our schools was soon complete--in spirit as well as in fact.

During our two years at Madison High, we have shared many new experiences and responsibilities. Now that we are about to graduate, we find ourselves looking back with gratitude to the things which help us to attain our goal. As students, we recall the games, activities, dances, and classrooms where memories were made. We are also grateful for the fine relationship which we shared with our teachers and for the guidance that they have given us.

At the close of this school year, we shall say good-bye to Madison High and the many memories that it holds for us. We may never return to this school, but in our hearts will always remain.....OUR WARMEST MEMORIES OF M.H.S. IN '62.

## HI-Y MAINTAINS HIGH STANDARDS

Our Hi-Y acts "to create, maintain, and extend throughout the school, home, and community, high standards of Christian character." The organization is affiliated with the Y.M.C.A. throughout America.

Members of the upper three classes, sophomore, junior, and senior, are permitted to join. Each year it sells sport seats and has the hat and coat check at ball games. At the end of the year it plans to buy a gift for the school.

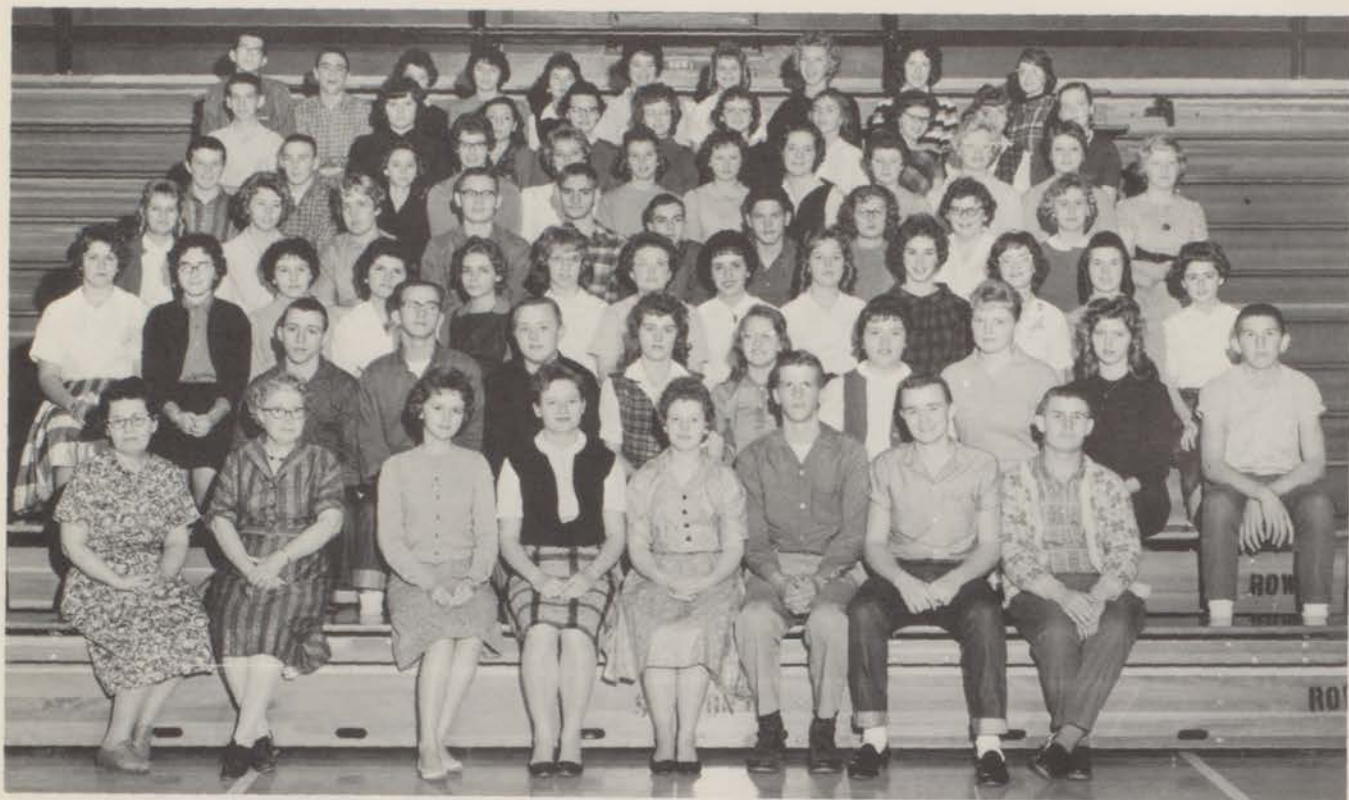

The highlight of this year will be the choosing of a Hi-Y Sweetheart at the annual dance.

### HI-Y OFFICERS

## J.C.L. TEACHES CULTURAL APPRECIATION

The Junior Classical League is a national organization composed of local classical clubs in junior and senior high schools throughout the United States and its territories.

The purpose of the Junior Classical League is to encourage among young people an interest in and appreciation of the civilization, language, literature, and art of ancient Greece and Rome, and to give them some understanding of the debt of our own culture to that of classical antiquity.

The Junior Classical League was founded in the fall of 1936. In 1960-61, there were 85,133 members and 1594 chapters.

## THE BUSY HOMEMAKERS

Madison High School established the F.H.A. Club some years ago. The club consists mainly of girls interested in home economics and is sponsored by the home economics teacher, Miss Davis. Although it is a relatively small club, it is very active. Among other things, it teaches the girls the techniques of cooking, sewing, and party-giving. The club also prepares baskets of food for the needy families during the Christmas and Thanksgiving seasons. In addition, it sponsors the annual "Miss Cub" Contest.

## G.A.A. DEVELOPS PHYSICAL FITNESS

Our GAA is a member of the Organization of Indiana League of High School Girls' Athletic Association. It is open to all Madison High School girls; its meetings take place once a week. Its ideals are to transmit appreciation of sports and exercises, and to teach good sportsmanship through the earning of awards. Girls are expected to participate actively toward these awards, such as pins, letters, or plaques, not only through the weekly activity, but also at play days, bowling, or other outside activities. This year there are over 200 girls participating in GAA.

G.A.A. girls are shown here participating in a game on Monday night.

Mrs. Cook is shown here displaying the opaque projector given to the school by the Sunshine Society.

## SUNSHINE SOCIETY BUILDS BETTER CITIZENS

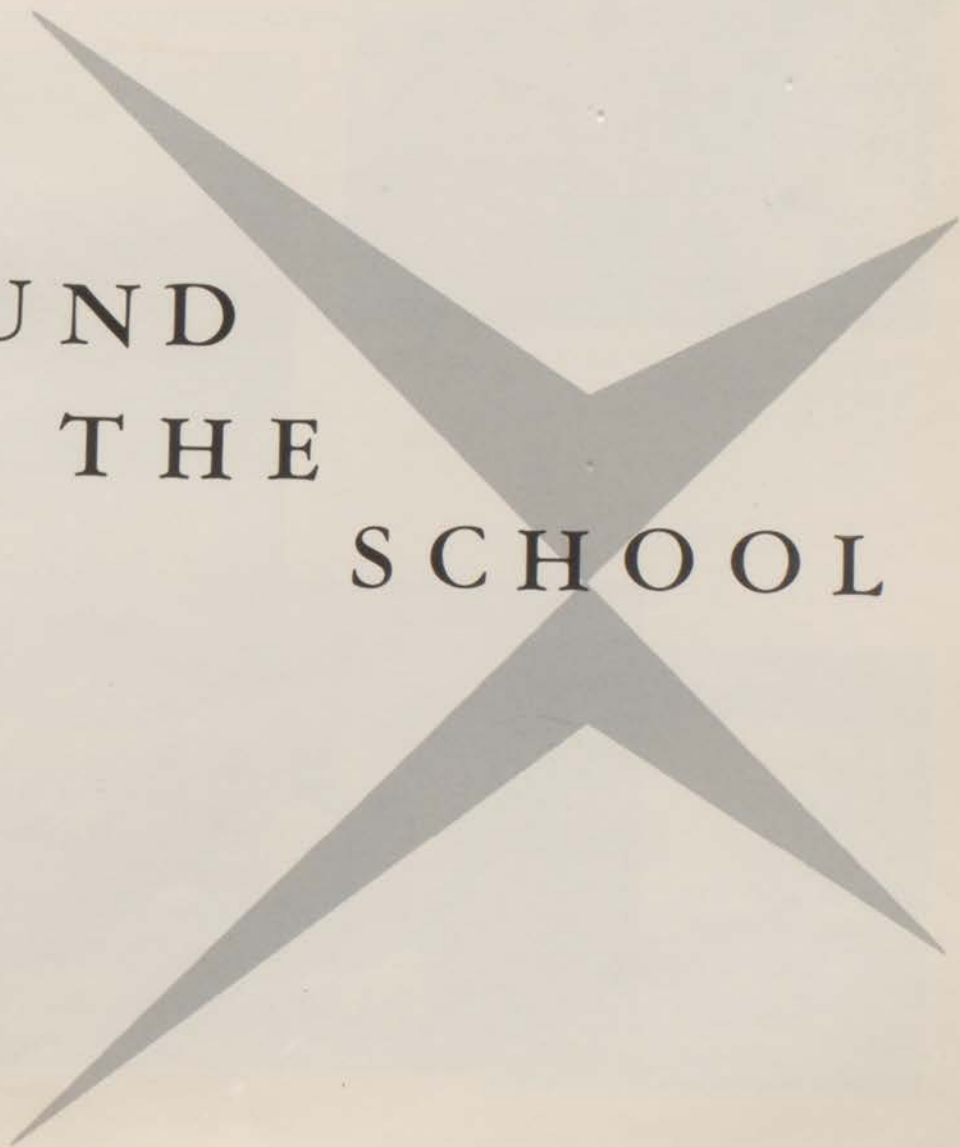

Our Sunshine Society for girls instills the thought of service. It is a service organization outlined with the ideal of thinking of others with less thinking of oneself. Its motto is, "Others." It works and functions for the good of the people, and its purpose is to build better citizens. Each year it contributes to the Riley Hospital for children and performs many duties for the good of the community.

We are proud of the services performed by our Sunshine Society, and we wish them luck in the years to come.

S C H O O L

Students buy their paper supplies at our paper store, which is supervised by Mrs. Reul.

"Looks good." The food served in our modern cafeteria is very appetizing.

This is a typical scene at M. H. S. every morning.

## ASSEMBLIES

One of our first assemblies was concerned with a very interesting coin collection.

Our speaker told us much about reindeer hunting.

This is a Spanish senorita who entertained us at one of the assemblies.

The students had an opportunity to examine the unusual coin collection.

Mrs. Anna O'Banion is in charge of the reading lab.

Students of Madison High School enrolled in English courses enjoy the time spent in the modern reading laboratory. Besides seeing many films, they may read many good books under the shadowscopes. This program develops their reading speed and comprehension.

These seniors in Mrs. Wingham's English VII class are studying for semester exams.

"Fall Out!" This shows the members of the band during a typical practice session.

Art student, Dorothy Norris, displays one of her paintings.

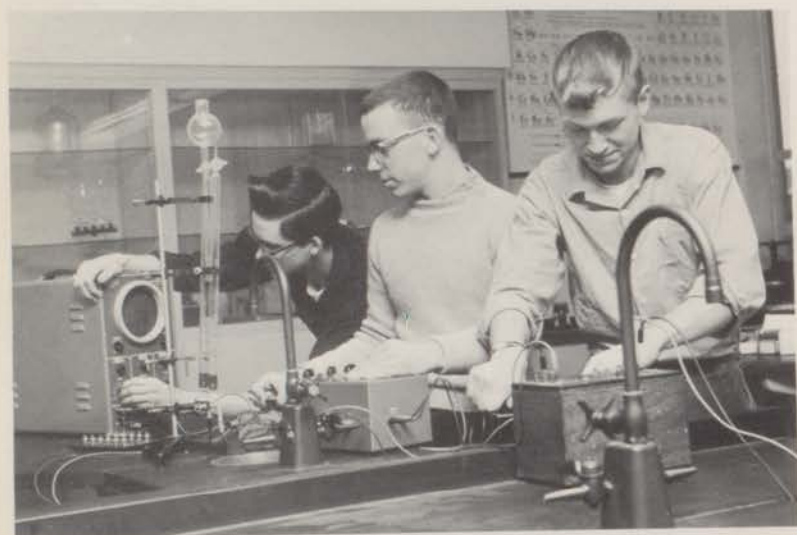

Mr. Whitlock's art students are shown here busily at work.

These boys work intently on the machines in the shop.

Mr. Mount explains the dissection of a fish.

Mr. Denson's laboratory assistants test new equipment.

Home economics girls are busy making new clothes.

The students in Mrs. Reul's bookkeeping class learn the fundamentals of bookkeeping and accounting.

Mrs. Eisan's class in Governments of the World discussed a controversial subject.

"The log of ten is equal to one." This trigonometry student explains one of the steps in her problem.

Gary O'Neal and Richard Risk take time out for a little fun.

Madison High School is experiencing its first year with wrestling as a major sport. It has been added in an effort to bring a complete sports program to the school. Wrestling is under the supervision of Mr. Meyer. Approximately twenty boys are working out in daily practice.

A varsity wrestling meet is composed of twelve separate matches, classed according to weight divisions. These classes range from 95 pounds to the heavyweight class which includes anyone up to 235 pounds. Matches are six minutes long. Each match is divided into three two minute periods. At the beginning of the match both wrestlers start on their feet. At the start of the second period one wrestler is on his hands and knees with the other on top of him. At the start of the third period this is reversed.

Unless a fall occurs, the match is decided on a point basis. A wrestler receives two points for the original takedown in the first period. One point is scored for an escape from a hold, while two points are scored for a reversal--when a wrestler escapes from a hold and in turn gets a hold on his opponent. Two points are scored for a predicament, which occurs when the opponent is on his back and is in a bit of trouble. A near fall--when a wrestler is close but not completely pinned--scores three points.

ADMINISTRATION

A  
TRIBUTE  
TO  
MR. SALM

Since 1926, students at Madison High School have been under the guiding hand of Principal Connor K. Salm. Now that Mr. Salm is leaving the halls of M.H.S. for an earned retirement, we pause to pay him the honor which he well deserves.

Mr. Salm came here when there were only winding gravel roads coming into a sleepy river town. The high school had an enrollment of 253 students, and the high school was located in the building that is now the American Legion post. In 1928, the new Broadway school was built and in this building, Mr. Salm capably directed the students of M.H.S.

The success of basketball while Mr. Salm was principal led to his long service on the IHSAA council, culminating in 1959 when he became president.

Mr. Salm has been a leader in civic activities. He has been active in the local Kiwanis Club, serving as state governor of Kiwanis in 1939.

Many of Mr. Salm's students have gone on to success in life--many, in fact, are now teaching in Madison schools or are leaders on the business and civic scene in the city.

To the educator who has guided us for 36 years, we, the students of M.H.S., and speaking for the past students, wish him the best of luck and want to say a genuine, heartfelt, "Thank you, Mr. Salm."

## SCHOOL BOARD

Our superintendent of schools is Mr. George D. Cook who is serving his first year in this capacity. Mr. Cook is well known in Madison, having begun his service to this community as a teacher and coach at Central High School. Since then he has been principal of Lydia Middleton Elementary School, Curriculum Coordinator, and, most recently, Assistant Superintendent of the Madison Consolidated Schools. From this experience, he is well qualified to meet the challenge of providing educational leadership for the community.
